

Peer Assessment Form

The purpose of this exercise is to fairly and accurately evaluate the contributions of each of your team members throughout the group work done this semester.

The results of this assignment will count for **5% of your overall grade** for the semester. Your grade is calculated **not by how you complete this form**, but based on the **assessment of your performance by each your teammates**.

Your submission will be kept **anonymous from the rest of your team**, so be **objective**.

Please **print this form** and **use the pages provided** to perform your peer assessment. **Turn in a hard copy** of your completed form at the **Final Exam Period - Fri 12/12, 5:00 PM**.

For each of your teammates **and also for yourself**, please rate the accuracy of the following statements on a scale of 1-10 (10 being highest).
